# Republican Nominee Pearce Shows Strong Support on Election Night

**BELTON \_ Following is a statement from Republican Candidate for the 31<sup>st</sup> State Senate District David Pearce on his convincing win Tuesday night in the party primary in which he garnered 55 percent of the vote:**

“I am truly honored that the wonderful people of the 31<sup>st</sup> District on Tuesday overwhelmingly embraced our vision and positive message that will improve the quality of life for all of our families. As we head into the General Election, I will remain committed to holding the line on taxes, creating quality jobs and protecting our values by opposing abortion and standing up for the sanctity of marriage. In the days and weeks ahead, I will continue to work hard and reach out to not only bring Republicans together, but Democrats and Independents as well. I will work with anyone who wants to join me in discussing ways to stop illegal immigration, reiterate my strong support for our Second Amendment rights and outline even better ways to support education in Missouri. We have much work left to be done and I look forward to visiting with people about our strong vision for the future.”
