Pearce's Commitment to Small Business Leads to NFIB Endorsement

BELTON _ In a clear example of his support for the small businesses of the 31st State Senate District, Republican Rep. David Pearce today received the endorsement of the National Federation of Independent Businesses.

“David Pearce has maintained a 100% voting record in support of small business,” said Brad Jones, Missouri Director for the NFIB, “David has been a great supporter of Missouri enterprise and will continue that support in the Missouri Senate.”

Pearce's commitment to small business and job creation is also evident in his 100 percent rating from the NFIB because of his work on behalf of small businesses. Pearce, the past Executive Director for the Warrensburg Chamber of Commerce, said he was honored by the endorsement.

“I have always worked hard to ensure that small businesses were creating jobs and boosting our economic fortunes and that is why I am extremely honored to have won the endorsement of the NFIB,” Pearce said. “I look forward to taking my record of success on behalf of the hard-working people of the 31st District to the Missouri Senate.”

The NFIB is the nation's leading small business association, with offices in Washington, D.C., and all 50 state capitals including Jefferson City. The group plays a critical role in supporting America's free enterprise system.
